

Setting up Round Up for a Charitable Cause

Use the following steps to set up round up for a charitable cause.

Step	Action
1	From the landing page, scroll down to My Savings Center .
2	Tap the Manage > arrow from My Auto-Savings.
3	Scroll down to Goal or General Savings section.
4	Tap the Round Up for Savings > arrow to add a charity.
5	Tap the Learn how to donate roundups hyperlink.
6	Review How to Round Up for Charity, then tap the Select charitable causes button. Featured charity: CHOC Foundation is pre-selected and is currently the only charity option.
7	Optional: Tap the Learn more hyperlink to learn about this charity.
8	Tap the Select this charity button to return to Choose your charitable causes.
9	Tap the Next button.
10	Choose how much of your roundup do you want to donate?
11	Tap and move the slider to adjust your split between savings and charity.
12	Tap the Confirm my roundups button. A celebratory message displays.
13	Optional: Tap the checkbox to share contact information with the charity.
14	Optional: Tap the checkbox to set a limit on donations.
15	Optional: Tap the View my roundups for charity button.
16	Optional: Tap the View my roundups for savings button.
