digital banking

step-by-step guide

Registration in the online banking platform allows you to access your account from your desktop computer or laptop.

Create New Password - Existing Member First Time Sign On

Step-by-Step

Use the following steps to access your account.

Step	Action
1	Click and enter your **Username** in the Username field.
2	Click and enter your **Password** in the Password field.
3	Click the **Log In** button.
4	Click the **Get Started** button.
5	Click and **enter the following information** in the corresponding fields: • Social Security Number • Date of Birth
6	Click the **Continue** button.
7	Click to select the **Verification Method** (Text, Voice, Email) using the drop-down arrow.
8	Click to select either a **10-digit Phone Number** or an **Email Address** using the drop-down arrow to receive a verification code.
9	Click the **Next** button.
10	Check your email or phone for the verification code.
11	Click and enter the **Verification Code** in the Verification Code field.
12	Click the **Next** button.
13	Click and enter a **Password** in the Password field using the Password must criteria.
14	Click and **reenter your password** in the Confirm Password field at the bottom of the screen.
15	Click the **Next** button.
16	A message at the bottom right will appear confirming **Your password has been updated.**
17	Scroll to review the **Digital Banking Disclosure.**
18	Click the **I Agree** button.
19	The **Accounts** dashboard will appear.
